

The Didsbury Pioneer

Provincial Library dc51

VOLUME 49: NUMBER 40

DIDSBURY, ALBERTA, WEDNESDAY, OCTOBER 3, 1951

\$2.50 a Year & a Copy

These fifteen sick Eskimos, one a stretcher case, arrived at Montreal Airport last night after a 1,200-mile flight from the Baffin Bay area aboard an R.C.A.F. Dakota aircraft. They were taken to hospital at nearby Caughnawaga for medical treatment and other ailments.

Wheat Board Loosens Delivery Quota Policy

The Canadian Wheat Board has loosened up its policy on delivery quotas of wheat.

The Board announced that effective October 1, farmers can deliver wheat to an alternative delivery point when the wheat quota at such a point is 11 bushels or higher. Delivery of oats, barley and rye must still be confined to the designated point shown in the producer's permit book.

If the wheat delivery quota at the delivery point designated in the farmer's permit book is less than 11 bushels per acre, he may deliver wheat to a station with an 11-bushel or higher quota. However, his total deliveries must not exceed the quota in effect at the new alternative delivery point.

At present farmers can only deliver wheat to stations designated in their permit books.

The Board said the relaxing of its quota results from harvesting becoming general throughout all the prairie provinces and was also due to availability of space in certain stations. As space becomes available at other points, the Board said a similar policy will be followed, although not necessarily on all grains at all times.

The Board also announced the following delivery quotas on wheat will be effective immediately:

Alberta: Eight bushels per seed acre — Fort Kent, Round Hill, Slawa, Sunnyside and Tofield.

Ten bushels — Clive, Fort Saskatchewan, Gleichen, Hoadley, Killam and Star.

Fifteen bushels — Rosemary.

Change Name Of Health Unit To Mountain View No. 7

MEETING FRIDAY, OCT. 5, TO ORGANIZE SHOPPING CARNIVAL

A meeting of all Didsbury merchants will be held in the Lions' Hall on Friday, October 5, at 10 a.m. for the purpose of organizing a Fall Shopping Carnival. Your attendance is necessary as no personal canvas will be made.

GORE TEACHER AND PUPILS ENTERTAIN MOTHERS

Miss Dickie and the pupils of the Gore school entertained the mothers of the district on Friday afternoon, September 28, when Mrs. Harvey Gowan addressed the gathering, on her recent trip to Ottawa. Mrs. Gowan described the Peace Tower, the House of Commons, and the Tully Gardens of Queen Juliana.

After the address lunch was served and the mothers spent a social hour getting acquainted with the new teacher.

Oil Revenues Give Alberta Big Surplus

Alberta has almost overnight switched from subsidy to oil millionaire. During the last fiscal year almost \$24 million poured into government coffers from oil leases, fees, rentals and royalties, provincial and federal.

Oil led Premier Manning's social credit government out of the provincial deficit and slightly more than \$100 million will leave a net egg of \$70,556,401 in cash and bonds—the largest sum held by any province.

The oil bonanza began flowing into Alberta's treasury in earnest five years ago when fabulously rich new fields were discovered in the Edmonton region.

Value of oil production in Alberta zoomed from \$18 million in 1946 to a whopping \$82 million last year.

Congratulations are extended to Mr. Robert Arlison, who celebrated his 75th birthday on Monday, October 1st.

Combining Starts In The Westcott District

The snow is nearly all gone in this district, the little remaining being around fence posts, etc. where it drifted. We saw a couple of farmers trying to combine Monday afternoon, but imagine the grain is still quite tough. However, after last week's wintry weather we can't blame anyone for taking the opportunity if the grain will go through.

Miss Margaret Robertson is taking her second year Education at the Faculty of Education, Calgary.

Mr. and Mrs. Herbert Goetjen took their daughter Elaine to Calgary on Sunday where she will enroll at Henderson's Business College this week.

Miss Margaret Goetjen registered at the Faculty of Education last Tuesday, and all four parties were dinner guests with Mr. and Mrs. Peter Stokenson on Sunday.

Mrs. Vipond was a visitor at the Clarence Reinhardt home on Sunday.

Mr. Elsie Gorden and Miss Shirley Janzen of Didsbury spent the weekend at Eklville where Devoe Goetjen is teaching.

Mrs. Lorne Cousins and son Roy of Didsbury and Mrs. Donald Artman's sister and young son from Saskatchewan were visitors at the Henry Wilsen home on the weekend.

Calgary Power set the rate without any approach to the Council (the net result will be true in either case) and I further see no need for a Council either. Let the Mayor run the show and the rest of us can use the time wasted for better advantage in looking after our own affairs.

I am sure most of you have not been aware of this coming to be a more aggressive stand in our affairs the taxpayers may as well spend a few dollars on the highway pointing west and on it inscribe "there lies the Town of Didsbury." We might even get on our knees and ask the Power Co. to supply electricity for the letters in me. I am sure they would let it in only too pleased to show it to the rest of the world, no fight left in us.

GEORGE THIN

If you do not have a water heater your rate has just been increased 30¢. Otherwise the following schedule will be in effect.

Weather Fines Up But Harvest Still Delayed

After almost a week of inclement weather, including four inches of snow and below freezing temperatures, a good old Alberta Chinook came out of the west last Friday and soon melted the snow. Temperatures over the weekend ranged to the 65 above mark and fields and grain are gradually drying out again.

While some farmers are again cutting grain, many fields are still too wet to allow operation of machinery, and fine, dry weather is needed if the crop is to be garnered this fall.

Elevator companies are warning farmers against threshing grain in the damp stage because it will not keep in storage. While it will be a temptation to harvest the crop at any stage, the elevators claim that any grain not fit for storage cannot be handled.

MONDAY IS A HOLIDAY

Monday, October 8 is Thanksgiving day and a dominion holiday. All places of business in town will be closed. Plan your purchases accordingly.

Thanks Calgary Police For Returning Purse

When seven-year-old Barbara Inglis, of Didsbury, and her mother visited Calgary last August 31, little Barbara lost her red plastic purse with 18 cents. The purse was found, turned over to police and returned to the child.

Thursday, Chief Constable James B. McDonald received the following letter—printed in capital letters:

"Dear Chief Constable, I got my purse and I want to thank you very much for sending it to me.

"I am a little girl 7 years old and in Grade 2.

"I was in Calgary with Mommy the day I lost my purse. We looked all over for it but could not find it.

"A man took our picture when we were walking down the street.

"I didn't have my money left, did I? I sure like my purse.

"Good-bye.

"Barbara Inglis."

—Calgary Albertan

Urge Payment For Grain Storage On Farm

Trade Minister C. D. Howe said at Ottawa that the question of paying for grading western farmers advance payment for wheat held on farms is "under consideration."

He was commenting on a Saskatchewan dispatch in which Walter Tucker, Saskatchewan Liberal leader, suggested that elevator companies be authorized to advance up to 75 percent of the initial payment on the first 10 bushels of wheat stored on the farms.

Mr. Howe said he could not say at this time whether the proposal will be accepted or rejected. It was not, he said, a new idea, and did not originate with Mr. Tucker.

Mr. Tucker made the suggestion as a way of easing an expected congestion of storage facilities in view of an anticipated record harvest. By paying an advance on the first ten bushels of wheat, presumably out of the federal treasury, farmers would be encouraged to keep wheat on the farm and prevent jamming of elevator points.

SUNDAY NIGHT PREVIEW HAS BEEN CANCELLED

Mrs. Bussard, manageress of the Didsbury Opera Theatre, announced Saturday that the Sunday night preview "Three Guys Named Mike," advertised for October 7, will not be shown. The reason given is that new heating equipment is being installed in the Didsbury Opera Theatre building, and the work is not expected to be completed in time for the Sunday midnight show.

Cremona Institute Presents Scholarship

CREMONA W.I. met at the home of Mrs. Ralph Thompson on September 19th, with eleven members and one visitor present. The meeting opened by singing O'Canada and repeating the creed. As Mrs. Shultz is back again from her summer at Manitoba, members were glad to have her take the chair.

The highlights of the meeting were as follows:

A scholarship award of \$50.00 is to be presented to Edgar Ray of Garfield.

Ten dollars was sent to the Salvation Army building fund.

\$25.00 was sent to Mr. Bech and family who recently lost wife and mother.

A dance was planned to take place in Cremona Hall on November 30th. Also to raffie a man's wool sweater on that evening.

The next regular meeting will be held at Mrs. K. Sampson's home on October 17.

The raffle was won by Mrs. S. Shultz, and a lovely lunch was served.

At the meeting of the Midway Ladies' Curling Club held at the home of Mrs. Alan Hughes on September 27th, it was decided to hold the two-day bonspiel on January 15th and 16th, 1952. Rinks will be invited from Aldridge, Crossfield, Carleton Place, Reed Ranch, Acme and Beiseker.

C.P.R. Passenger Train Schedule Changed

NORTHBOUND:

No. 521—(flag stop) 1:10 a.m. daily

No. 523—Daily except Sunday, 11:32 a.m. (21 minutes later)

No. 525—Daily at 6:21 p.m.

No. 527—Daily "Eskimo" 10:00 a.m. (stops only on flag on Sundays)

SOUTHBOUND:

No. 522—Daily 4:52 a.m.

No. 524—Daily 12:46 p.m. (noon train) 22 minutes later.

No. 526—Daily except Sunday, at 5:13 p.m.

No. 528—Daily 6:21 p.m. (stops on flag on Sundays only).

C.P.R. OFFICE HOURS:

Monday, 10 a.m. to 6:30 p.m.

Tuesday to Saturday, 8:30 a.m. to 5:30 p.m.

No telegraph service Mondays on account of agent's rest day.

Miss Nellie Bealson Honored At Shower

A very enjoyable evening was spent at the home of Mrs. Win. Ross on Friday, September 28, when a kitchen shower was given in honor of Miss Nellie Bealson R.N., bride-elect.

A mock wedding proved very interesting, after which a decorated kitchen cupboard was placed before the guest of honor, containing numerous useful and lovely gifts.

The local nurses and members of the hospital staff presented Miss Bealson with a trillium lamp.

A unity lunch was served by the hostess, and many good wishes were extended to Miss Bealson.

Regular Meeting Of Bancroft Buttercups

The regular meeting of the Bancroft Buttercups Girls' Club was held at the home of Eileen Richardson on September 22. Alma Swanson, president, presided in absence of Viola Schmick. The meeting opened by singing "We're Here For Fun", and repeating the creed. Roll Call was answered by each member saying what project they would like to see the club carry out.

It was decided to have 10 cent raffie instead of the regular five cent ones. To keep up funds a picture show and social evening will be held at Bancroft School October 31, at 8:30 p.m.

Each member brought one pair of pot holders, which were home made, to be given to the Bancroft W.I. This was September's objective.

Eileen Richardson gave an interesting demonstration on Calport. Eileen Neumiller won the raffie.

The next meeting will be held at the home of Audrey Swanson on October 20.

God Save the King was sung at the close of the meeting and lunch was then served.

JUTLAND BEEF CALF CLUB TO REORGANIZE OCTOBER 6

The Jutland Beef Calf Club will hold its annual reorganization meeting on Saturday, October 6, at 8:00 p.m. at the Jutland school. Boys and girls wanting to join are cordially invited to attend.

Members will receive their prizes for the year at this meeting.

MIDWAY LADIES' CURLING CLUB SETS BONSPIEL DATES

At the meeting of the Midway Ladies' Curling Club held at the home of Mrs. Alan Hughes on September 27th, it was decided to hold the two-day bonspiel on January 15th and 16th, 1952. Rinks will be invited from Aldridge, Crossfield, Carleton Place, Reed Ranch, Acme and Beiseker.

It was decided to have both first and consolation prizes for the square draw, giving players more to compete for in the competition.

WEST NOTES

(Last Week)

Mrs. O. Krebs was a Calgary visitor on Wednesday until Friday last week for medical reasons.

Mr. Bryce Thompson left Saturday for Edmonton to resume his studies at the University of Alberta.

Mr. and Mrs. C. B. Begg who were up from Calgary over the week end were supper guests with Mr. and Mrs. J. Gordon Belfus on Sunday.

Mr. and Mrs. L. Krebs were Banff visitors on Sunday, September 16. Mr. and Mrs. O. Thompson were supper guests with Mr. and Mrs. A. Bogg on Sunday.

We are sorry to hear that J. H. Hoegwood had the misfortune to break a bone in her ankle recently and that Mr. Percy Hoegwood is confined to bed with congestion of the lungs.

Delbert Lytt, who was a patient in the Didsbury Hospital for a few days last week is able to be home and he is feeling all right again.

Snow, snow, snow! Does anyone want any? Some farmers have been fortunate enough to get most of their crops out but others find it impossible to get on the land even though the grain may be ready, as the ground is so soft the binder and tractor gets stuck every few yards.

Letter To The Editor

The Didsbury Pioneer,

Dear Editor:

Temporary Grain Storage

With Storage at a premium this fall every effort will have to be made to protect threshed grain from the weather. Temporary storage may be constructed by using snow fence or woven wire. This should be lined with some strong, tough material that will contain the grain. "Filibreen" paper or any good barrier paper is quite satisfactory. Where woven wire is used, the interior will need to be lined with canvas, jute bags, straw, or sheaves. A 50-foot length of fencing will make a bin about 16 feet in diameter. Grain should be delivered to the centre of this storage area so that the pile rises evenly along the walls. Care should be taken to see that the paper is snug against the fencing as the grain fills the storage space. It should also be kept in mind when lining this storage bin with paper that it should not be one continuous length but should be cut in about 10 foot lengths and overlapped sufficiently to allow for expansion.

Kill Perennial Weed Patches Now
In some areas where Toxic Leafy Spurge, or Hoary Cress have recently taken root, a little care and attention now on these patches will result in eradication and the saving of a great deal of money, time and effort later. These patches show up well at this time of the year, and can usually be seen when the crop is being cut. Eradicate these patches without delay. Cut around them to avoid scattering any weed seeds that may have ripened, and apply sodium chlorate at a rate of three or four pounds per 100 square feet. The chlorate should be applied at least three to four feet beyond the outer edges of the patch. The chemical applied even at this time of the year will prove very satisfactory in killing out the root system.

CARD OF THANKS

I would like to thank the Brotherhood of the Evangelical Church who helped on the building of my house last week.

ART HEINZIG

CONSERVING
BEE POWER

If you were a bee, you could, as bees do, use your wings as a fan to cool the house. But while bees are busy ventilating, they can't be gathering honey. So, hives with aluminum roofs (ten to fifteen degrees cooler) make bees more efficient. Some day aluminum houses may do the same for housewives.

Aluminum is an ideal insulator for hives and homes. This is one of a dozen reasons why the demand for aluminum is growing so rapidly, and why we are building new plants and powerhouses to make more aluminum. Aluminum Company of Canada, Ltd. (Alcan).

need a special diet. They need a special diet. They

WEDDINGS

WILSON-STEEVES

Many lighted candles of pastel shades set in rustic birchwood candleabras, cast soft glows over the altar, the piano, and at intervals along the broad central aisle of the Municipal Auditorium at Roadley, Alberta, on Thursday evening, September 20, in which Miss Amy June Steeves of Roadley exchanged the vows of marriage with Mr. John Floyd Wilson of Youngstown, Ohio, U.S.A.

Rev. James T. Hopkins, President of Mountain View Bible College, at Didsbury, Alberta, performed the double ring ceremony in a setting of gorgeous gladioli and other late season flowers.

The bride is the daughter of Mr. and Mrs. Fred Steeves of Roadley. The groom is the son of Mr. and Mrs. M.B. Wilson of Youngstown, Ohio.

Before the bridal party entered the auditorium, Miss Marjorie Steeves, sister of the bride, and her cousin, Delores Ruggles, in pretty pastel shade floor length gowns, moved slowly up the aisle lighting the candles in the aisle, then to the candleabras flanking the altar.

Approaching the altar on her father's arm, June wore a lovely floor length gown of white lace and net over satin. It featured a round neckline of net and long lily-point sleeves. A long trailing veil fell from a lovely beaded halo. She wore a double strand pearl necklace, a gift from the groom. Her flowers were featured in a shower bouquet of American Beauty roses.

Janet Steeves, sister of the bride, wore a pink taffeta floor length gown as maid of honor. Jean Frey of

Didsbury, chose a Nile green floor length gown, as bridesmaid. The two carried bouquets of roses.

Little Sharon Violet Steeves was charming in her long curls and a blue frock of net over taffeta in floor length style. She preceded her sister with a basket of flower petals with which to strew the path to the altar.

Mr. Charles Matson of Iola, Alberta, was best man, and Mr. John Steeves, only brother of the bride was chief usher.

Escorting guests to their seats were Mr. Robert Steeves of Champion, Alberta, cousin of the bride, and Mr. William Cox of Big Valley, Alberta.

Mrs. Ruth Hoskins of Mountain View Bible College at Didsbury, presided at the piano. She played appropriate wedding music for ten minutes before the bridal party entered. Miss Margarita Sawatzky, of Sunnyside, Alberta, sang "Because," before the vows were taken; also Mr. Neil Neufeld of Linden, Alberta, sang "The Lord's Prayer," by Martin Luther. The bride came to the altar to the strains of Lohengrin's bridal chorals.

After the beautiful impressive ceremony, Neil sang, "Together We Walk Life's Pathway." Then the bridal party formed a receiving line on one side of the wide aisle where they were tendered the congratulations and best wishes of about two hundred guests.

A tasty buffet-lunch was served in the hall to all of the guests. The bride's table was lovely with snowy linens and lace. It was centered by huge attractively decorated three-tiered wedding cake.

A special request feature during the reception was a vocal duet, "No One Ever Cared For Me Like Jesus," concluded with, "I'd Rather Have Jesus." This was sung with genuine feeling by the bride and groom. Margarita Sawatzky also

sang, "I Love Thee," during the reception.

The charming couple were presented with numerous lovely gifts by their many friends who held them in high esteem.

Many flash pictures were taken during the evening by Mr. Stanley Cox of Castor, Alberta, and Mr. Elmer Swahn of Didsbury, Alberta. The newlyweds left for a short honeymoon after which they will take up residence at Didsbury, Alberta. Mr. Wilson is instructor in pianoforte and music theory at Mountain View Bible College.

Out-of-town guests came from Champion, Didsbury, Linden, Castor, Sunnyside, Big Valley, Red Deer, Hinesley, Ponoka, and Carmangay.

CANADIANS WIN COWAL TROPHY

At the recent Jubilee Cowal Highland Gathering at Dunoon, Scotland, the Argyll and Sutherland Highlanders of Canada, from Hamilton, Ontario, won the territorial hand contest. This is the first time a Cowal trophy has gone overseas.

It was stated in Ottawa that the deal with Russia would not interfere in the export of Canadian wheat to Britain this crop year. The British have given assurance that they will buy around 113 million bushels of Canadian wheat in the 1951-52 crop year.

Note: Presumably the deal with Russia is made in long tons of 2240 pounds to the ton.

U.K. BUYS RUSSIAN GRAIN

Great Britain has completed a trade agreement with Soviet Russia to buy 200,000 tons of wheat, 425,000 tons of barley, 300,000 tons of corn and 75,000 tons of oats. The grain is to be delivered during the next twelve months. One clause in the agreement, the British admit, is that Russia is to be supplied with rubber in part payment of the grain.

British government leaders state that the nation is compelled to buy from Soviet Russia. The alternative would be to purchase such supplies in Canada and the United States, where dollars would be required to make payment therefor. Britain is now seriously short of dollar exchange.

It was stated in Ottawa that the deal with Russia would not interfere in the export of Canadian wheat to Britain this crop year. The British have given assurance that they will buy around 113 million bushels of Canadian wheat in the 1951-52 crop year.

Note: Presumably the deal with Russia is made in long tons of 2240 pounds to the ton.

Illustrated — Styline
4-Door De Luxe Sedan

... for only CHEVROLET has all the things we want...
LOWEST COST, FINEST QUALITY, UTMOST DEPENDABILITY
AND ECONOMY PLUS THE HIGHEST TRADE-IN VALUE!

This year's Chevrolet is a marvel of value, every way — and it's all yours at lowest cost!

If you want a car with Body-by-Fisher strength, protection and up-to-the-minute styling — Chevrolet has it. If you want power you can live with through many moons to come — Chevrolet's valve-in-head performance gives you that, too. If you want roominess and comfort and handling ease that make every trip a breeze, there's no simpler way to find them than to take the wheel of a Chevrolet.

Above all, if you're looking for advanced features that perfectly combine pleasure with performance, just look at these:

NEW — improved Centre-Point Steering (and Centre-Point Design), making steering even easier at low speeds and while parking.

NEW — more powerful Jumbo-Drum Brakes (with Dab-Life rivetless brake linings) for extra-safe, extra-smooth, extra-long-lasting performance. They're the biggest brakes in Chevrolet history!

NEW — Safety Sight Instrument Panel — safer, more convenient, more efficient and more beautiful than ever before.

Yes, Chevrolet for '51 is a car that detaches comparison from every viewpoint — including price. So, if you've been toying with the notion of settling for a lesser car — come in and see how easily you can buy this thrifty marvel.

EVERYTHING TO GAIN AND NOTHING TO LOSE

Book Your Orders Now for Spring Delivery
It's Like Putting Money in the Bank

Here is a deal that is bound to appeal to progressive business minded farmers who plan ahead.

1. You book your order for Marvelube Motor Oil and Gear Oil and Greases before December 31st.
2. The lubricants are delivered between February 1st and April 30th.
3. If prices rise between now and spring delivery, you pay today's price only. If prices drop you get the full benefit of the lower price.

Early orders help us cut production and distribution costs. That is why we can afford to make this offer. Your Imperial Oil Agent will no doubt call on you. He will gladly recommend lubricants for each farm use. You are assured of getting the right lubricant and the right grade in the quantity you require. Your supplies will be on hand when you need them.

DAM SUCCESSFULLY DIVERTS WEST PRAIRIE RIVER

The first part of the Heart River Diversion Project—a long term engineering plan by the Province to control the unruly rivers of the High Prairie district—was completed recently with the installation of an 1,800-foot long dam on the Heart River, four miles east of the eastern tip of Lake Winagami.

The dam designed to divert the troublesome backwash of the West Prairie River, forces the Heart's upstream flood waste through a natural creek and a reservoir into a diversion canal which is a mile and a half long. The river waters then flow through Lake Winagami into a two-mile outlet canal, located at the south end of the lake to carry the diverted water into a creek. The water then passes four miles through the creek, finally returning to the Heart River.

The success of the dam is apparent already. The level of Lake Winagami is four feet higher than it was in August of last year and the water of the lake, formerly of such a high salt content that it was unfit for drinking, has become pleasant. An odor of corrupting turnips which also had been associated with the lake, has disappeared and fish, which once shunned the lake, are now following a clear path from Lesser Slave Lake to Winagami.

Winagami now has provided an ample feed ground for ducks which have gathered in hundreds, attracted by miles of shallow water and slough grass. The duck population in the smaller sloughs in the vicinity of the lake has also increased.

Ducks Unlimited (Canada) has contributed \$20,000 to the Heart River project as part of a co-operative program with the Province of Alberta.

The dam has water-power possibilities since there is a 75-foot drop between the level of the Heart River and Lake Winagami. The town of McLennan, once in a bad way for its water supply, now can easily pipe fresh water from the lake and already town folk are speaking of building an attractive summer resort around the reservoir.

During the 1951 runoff the amount of water held back by the pool would be sufficient to flood 250,

RED CROSS HINTS FOR DUCK HUNTERS

Hunters are taking to the lakes and sloughs in light craft this duck-hunting season are warned by R.C. Bishop, Red Cross swimming and water safety director, that ruggedly too often follows duck hunting trips.

Hunters with layers of bulky clothing and heavy boots overboard their boats with friends and ammunition with no thought of water safety.

The first principle in protection is not to overturn the boat. Should the boat tip over, stay with it. It can be and is, the best life preserver the hunter has. Secondly, the hunter who braves deep water should wear an inflatable safety vest over his clothing.

Heavy boots should be loosened so that if the hunter lands in the water, they can be removed easily.

An extra oar or paddle in the boat has saved many hunters. Finally, every hunter can make an economical life preserver for himself by obtaining two buoys with sturdy handles and tightly-fitted lids. The buoys, used as buoys, will keep the hunter's head above water.

MORE SYNTHETIC RUBBER

Starting this month you may be riding more and more on synthetic rubber—at less cost.

By the end of the year some Canadian tire-makers may have upped production by as much as 25 to 35 percent. With synthetic selling at around half the price of natural rubber, tire-makers stand to effect some important economies in production costs.

600 acres to a depth of one foot.

With the dam completed, Reg Batty, the engineer of the Water Resources Branch, who is in charge of the entire project, is turning his attention to flood control of the West Prairie River.

Scarcely every spring, approximately 72 square miles of the fine farmland near High Prairie, is flooded by the West Prairie. The problem of these floods has been under investigation since 1911 but no complete answer has yet been devised.

Mr. and Mrs. Gordon Rathburn and family were Sunday visitors with the latter's parents.

Mr. and Mrs. Dunbar visited with the latter's sister, Mrs. Dave Pratt and family, last Monday.

Mrs. Schumaker visited with Mrs. Walter McCulloch last Friday afternoon.

Ray Cipperey, who is in the Air Force, visited with Mr. and Mrs. Alfie Thompson and family recently.

JAPAN EATS MORE BREAD

A Japanese flour-milling official, while touring Canada and the United States to obtain greater stocks of hard milling wheat, said that Japan now grows about one million tons of wheat annually and imports an additional two million tons of wheat and other grains. He pointed out that Japanese bread consumption was increasing particularly among the younger people, but that the older people and the peasants still stick to rice and noodles.

YOUR PERSONAL PENSION PLAN PROVIDED THROUGH THE ALBERTA GOVERNMENT RETIREMENT ANNUITIES ACT WILL GIVE SECURITY PROTECTION SAVINGS TO YOU AND YOUR FAMILY

QUESTION: Who is eligible to open an Annuity account?

ANSWER: Any Canadian citizen resident in Alberta for three years preceding application is eligible and may continue deposits even though he or she later leaves the Province.

QUESTION: How do I become a Depositor?

ANSWER: Applications will be received at any Treasury Branch or at the office of the Deputy Provincial Treasurer, Legislative Buildings, Edmonton, where Agreement forms may be obtained.

QUESTION: What payment shall I be required to make?

ANSWER: An initial deposit of at least \$10.00 is required and thereafter deposits of not less than \$5.00 will be accepted at any time convenient to the Depositor. Deposits may be made at any Treasury Branch, or at the office of the Deputy Provincial Treasurer, Edmonton.

For Full Information See your

Provincial Treasury Branch
or write Deputy Provincial Treasurer, Edmonton.

South West Didsbury

Mr. and Mrs. Fred Befus and Mr. and Mrs. Tom McNair motored to Calgary Wednesday evening where Mr. Befus and Mr. McNair attended the boxing match.

Mr. and Mrs. W. A. Sherrick and Darrell and Misses Edith and Marion Sherrick attended the Crusade for Christ meeting in Calgary on Wednesday evening.

Mr. and Mrs. J. B. Iljkin and Patsy were Tuesday evening visitors with Mr. and Mrs. M. Dippel.

Mr. Doreen, Brenda and Mr. Stanley McEwen were Friday evening visitors with Mr. and Mrs. W. A. Sherrick.

Mr. and Mrs. E. Dippel and family, Mr. and Mrs. M. Dippel and Carole and Mr. John Snyder of Red Deer were Thursday evening visitors with Mr. and Mrs. E. Shantz and Mrs. L. Shantz of Calgary.

Mr. Ira Levagood spent the week end visiting in Calgary with Mr. and Mrs. Roy Blades.

Mr. and Mrs. Carl Meyer and George Meyer were Calgary visitors on Friday.

Mr. and Mrs. Jack Edwards and family were Calgary visitors Thursday.

Mr. and Mrs. H. W. Folkman and family motored to Claresholm Saturday to visit with Mr. and Mrs. A. Lange and family.

Sunday guests of Mr. and Mrs. M. Dippel were Mr. and Mrs. E. Corsewell and Mrs. C. F. Stroud and Irene.

M.V.B.C. NEWS

One more week and the College will again be a busy place of mental industry as students from different parts of Canada and the United States take up their studies. We trust that each one will add something of interest to our town, and that as they go in and out of the stores they will be welcomed by those from whom they buy.

Mr. Hoskins, our President, is again in B.C. to bring back the fruit that was canned there recently. A number of people there donate large quantities of fine fruit that wasn't marketable, but when preserved is choice in its flavor. We do so much appreciate this help.

Mr. and Mrs. John Wilson called at the school on their way to Hoadley last Friday. Their marriage on September 20 will be noted elsewhere in this paper. They will be returning this week and will live on the campus this winter.

Miss Graye Snyder and Miss Greta Anderson are taking a few days vacation in the Wainwright-Calgary area. Miss Snyder deserves a rest from the heavy labors the past few weeks, and will be returning on Thursday.

Miss Jean Burkholder who has been assisting in the cleaning of the buildings for the past month returned to her home in Cremona for the few days before school opens. We appreciated Jean's splendid help here.

All our hearts were saddened as we learned of the death of Mrs. Plato of Alsask last week. Mrs. Plato is the mother of Ted Plato who was intending to return to take his college work this year. His sister Myrtle had also applied. Mr. Plato was also injured in the car accident as still seriously ill. It is not likely that these two splendid young people will be able to come now. Our sympathy in this time of sadness is extended to them. A number of people from Didsbury went to the funeral.

We were very happy to entertain Rev. and Mrs. John Gamble, outgoing missionaries to India, last week. The little girl knows a chorus in the Bengali language and sang for us in Sunday school. Mr. Gamble served with the Marines during the second world war in India and has a knowledge of that country. They will be sailing from New York the middle of the month. He is a graduate of the College having taken his Bachelor of Theology degree a year ago. He and his wife have recently graduated from the Medical Health Institute of Lansing, Ontario, a school wherein prospective missionaries receive a basic knowledge of health useful to them on the foreign field, and taken under the tutelage of some of the finest specialists in Toronto.

The office formerly occupied by our secretary-treasurer, Rev. W. D. Annett, has been renovated and is now a very fine reception room. You will want to see it in its new dress. Mr. Annett's office is now in the room that had been used for guests and serves the requirements of the office much better.

Friends of the school very graciously brought in enough chicken so that we could have a good fry up. How we did appreciate their thoughtfulness of us, and we say a hearty thank you.

Registration will take place on October 9, at 10:00 a.m. There will be a splendid group of young people in attendance again this year. We are looking forward to their coming.

Quebec has one of the largest deposits of the metal titanium, as strong as steel, but much lighter.

WESTERDALE NEWS

The Geo. Backous family whose farm is a mile north of the Westerdale School, had the misfortune to lose their home by fire last Monday night. When they discovered the fire the roof was completely engulfed in flames.

Congratulations to Mr. and Mrs. E. Herbert on the birth of a daughter, born on Tuesday, September 25.

Mr. Dick Platt was the honoured guest at the birthday party last Friday evening when a number of young people enjoyed a chicken supper at the home of Mr. and Mrs. V. Jackson.

A number of ladies attended the quilting bee held at the home of Mrs. A. Brockley last Thursday. Another quilting bee is being held at the home of Mrs. R. Jackson this Tuesday.

HOW EGGS GROW

At the University of Tennessee's Oak Ridge experiment station, hens fed with mildly radioactive mash are laying radioactive eggs. This tracer technique, the university said, has helped its poultry scientists to follow the intimate workings of a hen's egg-making machinery. By skilled use of Geiger counters, they can follow the "hot" feed as it circulates inside the hen. They can measure it accurately as it forms into an egg.

A new-laid egg say the scientists, contains material derived from feed that the hen ate 10 days before. It takes eight to ten days to form a complete egg. Most of this time (about seven days) is spent in the making of the yolk. The shell is a quickly built container. Nearly 75 percent of the mineral in it comes from feed that the hen ate the previous day.

LITTLE ITEMS OF LOCAL INTEREST

Mr. and Mrs. Les Bramley and son, visited in Didsbury Saturday at the home of the latter's parents, Mr. and Mrs. D. N. McDonald.

Boy Kendrick shipped a car load of hay to a customer at Lethbridge, B.C. recently.

Sunday afternoon the young ladies of the dance district called at the teacherage for a get-acquainted surprise party for Miss Dickie. They brought a picnic dinner which all enjoyed.

—You can get your grain lifters for binders at Leo Nichols, phone 132.

Mr. Gordon Ogdon, manager of the Experimental Farm at Beaver Lodge, spent the weekend with Mr. and Mrs. Tom Morris. Mr. Ogdon reported that all the cutting had been completed in the Peace River area but that very little threshing was done.

Mrs. Hugh Brooke returned Saturday from a four month visit to Switzerland.

—The St. Anthony's Altar Society will hold a Chicken Supper in the Lions' Hall on Saturday, October 6, from 5 to 8:30 p.m.

Jim Broomhall is in Edmonton this week where he is taking medical treatment.

Mr. and Mrs. W. A. Bishop and son Billy of Penitence, B.C., returned home Friday after visiting with Mrs. Bishop's mother, Mrs. P. Murphy in Didsbury.

—There will be a chicken supper at the Rugby Hall on Wednesday, November 7th. Keep the date open.

Mrs. Harry Gabel was a Calgary visitor last Friday.

Rowen Fisher left last Wednesday for Edmonton to resume his studies at the University.

—The Anglican W. A. will hold its Fall Bazaar and Tea on Saturday, November 3, in the Lions' Hall. 1c.

Mr. and Mrs. Robert E. McMullen of Elkton and Mr. and Mrs. Albert E. McMullen and two little sons Arthur and Bobbie of Red Deer motored to Edmonton on September 22 to attend the wedding and reception of Miss Janey of Red Deer to Mr. Walter Chmiel of Edmonton.

Mrs. Percy Fair has returned from the Holy Cross hospital in Calgary where she has been a patient for four months.

Mr. C. Archie McMullen of Calgary, who has been spending his vacation with his parents at Elkton, has entered the Anglican College at Vancouver, B.C.

Mr. A. G. VanWyck of Maple Creek, Sask., and Miss Fay Dyer of Calgary, visited at the home of Mr. and Mrs. W. H. VanWyck on Monday.

Mr. and Mrs. Carl Gould, formerly of Drumheller, have taken up residence in Didsbury. Mr. Gould is employed at Prevost Motors.

Don't forget the Boy Scout Apple Day on Saturday, October 6. Help the Boy Scouts!

Mr. and Mrs. E. B. Grange returned last week after a three weeks motor trip through the western States.

—Knox United Church Evening Group W.A. will hold a chicken supper in the church basement on Monday, October 15, from 5:30 to 8:00 p.m. Donations of chickens would be appreciated. Phone Mrs. B. Prevost at 72.

Born to Mr. and Mrs. Frank Herbert on Wednesday, September 26, a girl.

Miss Beth Ross and Miss Dorothy Stull of Calgary accompanied W. W. Bonica on her visit to her home in Didsbury this week.

The Afternoon Group W.A. of the United Church will meet at the home of Mrs. W. W. Gillie Thursday, October 4, at 2:15 p.m.

Mr. Herb Stiles of Edmonton spent the weekend in Didsbury with his family.

Local nurses who were successful in passing their R.N. examinations recently include: Miss Margaret Blasius, Miss Roberta Kelly, Miss Eileen Parsons and Miss Jean Wilson.

—There is a hearty invitation extended to all to attend the United-Methodist Gospel Services being held in Mr. and Mrs. L. Nichols' home opposite the Rosebud Health Unit on Sundays and Tuesdays at 8:00 p.m., conducted by Misses H. Sharp and D. McCrae.

Mr. and Mrs. C. A. Cunningham and son of Telford visited last week with Mr. and Mrs. L. Cunningham, returning home Friday.

Miss Phyllis Euren, who is taking a flying vacation from England to Australia, visited for four days last week with Mr. and Mrs. W. Nox, who plans to complete her trip around the world from Australia by boat.

Don't forget the Boy Scout Apple Day on Saturday, October 6. Help the Boy Scouts!

—Hughie Roberts reports that he enjoyed the Jewish New Year holiday on Monday and Tuesday, and he is sorry the other Jews around here didn't take the holiday too.

AN ACRE OF LAND
An acre of land contains 160 square rods, or 43,560 square feet.

The word "acre" is descended through a French variation of the Latin "ager", meaning "field", from which comes the word "agriculture", the culture of a field.

The English farmers in medieval times used the word "acre" to describe the amount of land which could be plowed with the use of oxen in a single day.

Most of Europe, Soviet Russia, Central and South America, adopted the metric hectare as a land measure. A hectare is 10,000 square meters, which squares up to 100 meters on the side. A hectare is equivalent to 2.471 acres.
